READ—the following papers:—

From A. H. GARRETT, Esq., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 19th June 1895, No. 213 V.Z.

I have the honour to forward the plan and estimate called for in G.O., dated 23rd May 1894, No. 1284 W.

2. An estimate was submitted by the Executive Engineer in January last, but had to be returned, as the instructions contained in paragraph 2 of the Government Order had been overlooked.

3. The delay in preparing a fresh plan and estimate is said to be due to the fact that the two draughtsmen in the Executive Engineer's office have more work to do than they can possibly manage.

4. In the report accompanying the estimate the Executive Engineer observes that it is impossible to build suitable quarters for a European or Eurasian Inspector for the amount allowable under the rules.

5. I agree with the Executive Engineer in thinking that the rules in the Public Works Code, chapter X, paragraph 17, should not be applied in cases where houses have to be built for officials drawing very small salaries.

6. In Public Works Code, chapter X, paragraph 28 III (*d*), it is mentioned that officers of lower rank than that of Assistant District Superintendent of Police may be provided with free quarters, and when these are not available in Police lines other "suitable quarters may be provided."

7. Suitable quarters in the present case could not certainly be built for Rs. 1,081, and I do not think the accompanying estimate capable of reduction.

No. 2689 C.

If the building cannot be designed for Rs. 1,370 as reported by the Executive Engineer, the sanction of the Government of India must be applied for as required by Code, volume I, chapter X, paragraph 17 (3). The Code rule referred to by you, viz., volume I, chapter X, paragraph 28, rule III, clause (*d*) only applies to remissions or reductions of rent in regard to existing buildings and not to the construction of buildings.

SIR,

With reference to rule (3), paragraph 17, chapter X, volume I, Public Works Code, I am directed to request the sanction of the Government of India to the expenditure from Provincial funds of a sum of Rs. 1,900 * in the provision of quarters for the Reserve Inspector of Police at Párvatípuram, in the Vizagapatam district.

* Including Rs. 181, the cost of the site.

2. The salary of the Inspector is Rs. 100 per mensem, and under rule (1) of the code, paragraph above quoted, the cost of the building including compensation for land should not exceed Rs. 1,262, but it has been found impossible to design suitable quarters in the locality in question for a European or Eurasian Inspector for this sum.

3. Under clause (*d*), rule III, paragraph 28 of the same chapter, the Inspector will occupy the proposed quarters free of rent.
