ORDER—dated 19th September 1895, No. 2320 W., Public Works.

Ordered that the schedules of requirements for 1896-97 on account of Military works at stations in charge of the Public Works Department be forwarded to the Government of India, Military Department. Statement A shows the demands for Major original works in progress, Minor works, Repairs, Establishment, and Tools and plant; and statement B contains a list of new Major original works arranged in order of urgency that can be undertaken during the year, should funds be provided.

2. The sum applied for on account of incomplete works of the current year is Rs. 5,000 as against Rs. 9,918 for those of the previous year.

3. A sum of Rs. 5,000 for Minor works and Rs. 50,000 for repairs have been entered, these being the amounts provided in the budget estimate of the current year.

4. No provision has been made on account of Commissariat and Ordnance Departments, as the heads of those departments will, as suggested in paragraph 8 of the letter from the Director-General of Military Works, No. 1499 B., dated 22nd May 1895, submit their budget estimates direct to the Government of India.

5. The Superintending Engineers concerned will lose no time in preparing plans and estimates for the unsanctioned works included in statement B.
