No 472 d 29th August 1895

From - J. S. Wilson Esquire

Executive Engineer South Arcot Division

To The Supt. Engineer & Circle

Sir,

With reference to your No 4138 A of 27th July 1895 regarding the delay in reporting on the petition of Ramasamy Iyer of Soveraput, I have the honour to give the following explanation.

The dates of receipts & of the reference were as follows:-

Date of receipt from your office 24.6.95

Forwarded for report 25.6.95

Sub Dl. Officer's inspection 6.7.95

Date of his report 9.7.95

Received by me about 10.7.95

Date of my draft 18.7.95

Date of fair copy 27.7.95

Despatched to your office 29.7.95

The cause of my delay in disposing of the reference was due to the fact that the Sub

Sl.

Divisional Officer's report was mislaid
and apparently forwarded with other
papers to Divisional Office. It was not
returned to me till the 20th, previous to
which I had drafted a report, the return
of the papers to Divisional Office and the
time occupied in fair copying and
despatch to me in camp and back -
again account for the remaining time.

I have &c.

Signed - J. S. Wilson
