To,

The Chief Engineer
P. W. Department,
Madras.

Sir,

In reference to No. 2122 W.
of 24th Augt 1894 I have the honour
to inform you that in June last
I inspected the two sites proposed
by Mr. Arundel for the Port Officer's
residence at Masulipatam.

2. The sites are

(1) The terrace & roof of the old
arsenal now used as offices
for the Port Officer & Sea Customs
Department.

(2) The basement of the Marine &
Church.

An estimate for the first amounting
to Rs 11,900 was prepared some time
ago

Encls. No. 6

O. No. 1044

Letter from the Engineer in Charge
Mistral Eastern Division to the Supg
Engineer Second Circle, d/10th November
1894, No 3731.

With reference to your No 1226 WS
d/31.8.1894, I have the honour to
forward Southern Sub Division
Officers No. 2213 d/20-10-1894
with its enclosures including a Com-
plete report on Mr. Maiden's
bungalow at Bundar Fort, and an
estimate for putting it in repair.

I strongly recommend that this
bungalow should be purchased as
a residence for the Port Officer,
for, it will make a far better
residence than could be built
for the same money and owing to
the difficulties already pointed
out in finding a suitable site
it is practically impossible
to build a habitable bungalow
at a less cost than is now pro-
posed i.e. Rs 7,000.

As you have yourself inspected
the bungalow and the various
sites available for a new one,
I need not go into further details
but

The estimate, amounting to Rs. 6,860, for the purchase and repair of Mr. Maiden's house at Masulipatam to be used as a residence for the Port Officer, is sanctioned.

The Superintending Engineer will take early steps in communication with the Collector to acquire the property.

2. The current year's grant for the work is Rs. 6,400.

3. The rent of the building will be regulated in accordance with
