PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read Pros of the Bd of Rev, S.R. d/

12th March 1895, No 1106 mis. Submitting to Govt for sanction an estimate, report and plans received from the Superintending Engr, I Circle, for the repair of the Alathur road near the Chumampet factory.

Read also Pros of the Bd of Rev, S.R. d/ 16th July 1895, No 2988 mis, requesting Govt to pass early orders on B.P. d/ 12th March 1895, No 1106 mis.

Order thereon, 3rd August 1895, No 3099 mis.

The Government would not object to a moderate contribution towards the reconstruction of the road, but is not disposed to go further, as the principal result of the reconstruction of the road would be one in which Government has but little interest, that is, that its restoration would enable the Chumampet salt to compete on better terms than at present with the salt of the Mankanam factories.
