Copy of letter from the Accountant General
dated 14 September 1895, No. 2361.

With reference to your endorsement No. 1904
dated the 14 of August 1895 forwarding for
my remarks office note of the Examiner of
Public Works Accounts regarding the question
of the travelling allowance of Accountant
M. R. Ry Sankara Aiyar and his family,
on the occasion of his transfer to Trichinopoly,
I have the honor to state that this office presumed
when giving the opinion contained in letter
to Government No. 483 dated 1st March 1895,
that written orders passing his probable expenses
had been obtained by M. R. Ry Sankara Aiyar
prior to his starting as this point was not
raised in the Examiner's letter.

If this was not the case, travelling
allowance to the family is inadmissible under
the letter of note I to Article 1205 Civil Service
Regulations.

As regards the cases put by the
Examiner in paragraph 5 of his note, I beg
to observe that in the first case travelling
allowance on account of the family is
clearly inadmissible. In the second case
I incline to the same opinion but the point
is a little doubtful and it would be advisable,
when a case actually arises, to refer it to the
Government

Gobt of { 189 } Madras.
