It is not clear how the
vertical bars, other than stand-
ards & straining posts, as shown
on tracing, are to be fixed, they
apparently have no ground
support but are being hung
on to the wires like droppers
in order to stiffen the wires.

GOVERNMENT HOUSE,

10 September 1895.

From

Major The Honble R. D. Lawley.

THE MILITARY SECRETARY TO THE

RIGHT HONORABLE THE GOVERNOR,

To

The Secretary to Government.

Public Works Department.

Stone House Hill.

SIR,

I have the honour to forward,
duly approved, a plan and estimate amount-
ing to Rs 5794-0-0 for renewing the fencing on
the North and East sides of Government House,
Madras, and to request that the sanction of Govern-
ment may be obtained for the same.

2.

This estimate came before me
in 1892, but for financial reasons, I asked that
it might lie over for the present. The fencing
is reported to be in very bad order and the Con-
sulting Architect thinks that it should be re-
newed as soon as possible.

3.

A plan of the Park showing the pro-
posed line of fencing as well as a detailed
drawing of the fencing itself is also forwarded.

I have the honour to be,

Sir,

Your most obedient Servant,

R. D. Lawley

Major,

Military Secretary.
