No. 475 dated 31st August 1895.

From J. S. Wilson Esquire Executive
Engineer South Arcot

To The Superintending Engineer Fifth Cir

Sir, I have the honour to state that
the Officer Commanding B. Company
South Indian Railway Volunteer
rifle Corps, has applied for the
Sergeant Instructor's quarters
at Buddaloo, now under
construction, to be provided
with chairs for the front and
rear verandahs, and floor
mats for the front and bed
rooms. The Sub Divisional Officer
reports that these can be provided
from the savings in the estimate.

The supply by this Department
of chairs and mats for new
buildings was authorized by the
Madras Code para 94, but rules
in the India Code Volume I Chapter
I para 4 appear opposed to this.
The probable cost will be about
Rs 180 as reported by the Sub
Divisional Officer. As the supply
appears to me to be ^anecessity
and

and can be done without exceeding
the estimate (part of which was
contributed from Corps funds)
I request your orders on the subject.--

I have the
(Signed) J. S. Wilson
Executive Engineer

No. 335.W.

Copy forwarded to the
Chief Engineer P.W. Department for
favour of orders on the point
raised by the Executive Engineer.

The undersigned thinks that
the chicks and water ^{should} be provided
by this Department; they do
not appear to be of a fair
charge on the funds of the
S. I. R. Volunteer Corps.--

Ch. Lamm

19/9/95

Superintending Engineer.
Fifth Circle.

11th September 1895.--

and can be done without exceeding
the estimate (part of which was
contributed from Corps funds)
I request your orders on the subject.--
Chief C. C. Lamm
Superintending Engineer
Fifth Circle
