GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads,
Civil Works.

Read—the following papers :—

From C. M. MULLALY, Esq., Collector of Kurnool, to the Secretary to Government, Public Works Department, Madras, dated Dhone, 3rd September 1895, R.C. No. 1820-Eng.

In forwarding herewith, duly countersigned, an estimate for Rs. 9,550 and other enclosures received from the Superintending Engineer with his letter No. 1626, dated 27th August 1895, for constructing a Stationary Sub-Magistrate's Court at Nandyal, I have the honour to state that this building is urgently required, as reported in this office Dis. No. 1503-Eng. of 1895, dated 22nd August 1895, and to request therefore that the same may be sanctioned at a very early date and funds allotted, if possible, for execution this year.

Proceedings of the Board of Revenue (Land Revenue), dated 23rd September 1895, Mis. No. 4787.

Read—Endorsement of Acting Assistant Secretary to Government, Revenue Department, dated 16th September 1895, No. 1485-R., on that of the Secretary to Government, Public Works Department, dated 13th September 1895, No. 978 D.

Resolution—dated 23rd September 1895, Mis. No. 4787.

The site plan and estimate received with the endorsement read above are returned to Government with the remark that the Board approves of the construction of a separate office for the Stationary Sub-Magistrate at Nandyal according to the type design circulated with G.O., No. 427 W., dated 19th February 1895.

(A true Extract.)

(Signed) L. M. WYNCH,
Secretary.

Mis. No. 4019, Revenue.

The plan and estimates are approved and will be re-transferred to the Public Works Department.

Ootacamund,
7th October 1895.

(Signed) W. B. AYLING,
Ag. Asst. Secy. to Government.

ORDER—No. 2561 W., dated 18th October 1895.

The estimate, amounting to Rs. 9,550, for constructing a Stationary Sub-Magistrate's office at Nandyal in the Kurnool district is sanctioned, and the amount provided from the Provincial reserve.

2. This sanction has been registered as Provincial No. 64 W. of 1895-96 and classified as Civil Buildings—Original Works.

I th / B (a11)

Letter No: 4121 dated 3rd September /95 fr the Executive Engineer, Bellary Dn to the Supdg: Engineer, III Circle, Bellary:

I have the honour to bring to your notice for the orders of Government, the state of the Goparam of the Chintalaroya-swamy temple at Tadpatri. The base and Superstructure, to the height of about 35 feet, of this building are of beautiful black granite magnificently carved, the best I have seen in the district. The upper part is of brick in chunam in a dangerous condition; moreover, its great weight is cracking and breaking up the grand work at the bottom, and threatens to demolish it in course of time.

I believe the Archaeological Departt. has recently sent a party to photograph this temple. I consider that the upper part (brick in chunam) should be entirely demolished. This would be a work of some difficulty, as the structure is in a very dangerous condition, probably Artillery would be the easiest and safest means

to

propping. I should say the work would cost at least Rs: 1,000.

The temple is managed by a Committee, who have no funds for such a purpose, and I think that the beauty of the work to be preserved is well worth the consideration of Government.

No. 1824 Copy submitted to the Chief Engineer P. W. D for favor of orders.

TO BE RETURNED

CURRENT No. 3

Archaeological Survey, (Madras,)
Bangalore,
16th September 1895.

No. 180.

From

A. REA, ESQUIRE,
SUPERINTENDENT, ARCHÆOLOGICAL SURVEY,
(MADRAS,)

To

The Chief Secretary
to the Government of Madras.

SIR,

Adverting to reference in the Public Department, No. 2136 dated 11th September 1895, I have the honour to report that the cracks in the stone basement of a gopura at the Chintalarayasvami temple at Tadpatri are of old date, and do not appear to have increased recently, so that there does not seem any immediate prospect of the stonework being destroyed by the superincumbent mass of brickwork.

2. Part of the brickwork of the upper storeys is in a ruinous state; but when portions fall, I believe it is chiefly into the interior of the structure, where little damage can be done to carvings.

The gopura is a source of danger to any person who might use it as a gateway; but on this account, the door is kept closed.

3. There is no necessity for a complete demolition of the brick work; only the most ruinous portions require removal. The work of estimating and repair might be carried out by the Public Works Department, if the temple authorities are willing to pay for it. The case is similar to that of the Gangaikondacholapuram temple[×], and a similar procedure should be adopted.

I have the honour to be,
Sir,
Your most obedient servant,
A. Rea
Superintendent.
