MADRAS PRESIDENCY.

Part 1

Chapter I, Para. 30.

1. All proposals for changes in the scales of permanent establishments must be accompanied by a statement in Part I of this form when the changes relate to the engineer or upper subordinate establishments and in other cases by a statement in Part II of this form.

2. The column headed "present scale" should invariably show the existing sanctioned scale (not the strength of the establishment as it actually stands at the time), and should be verified by the Examiner before the statements are forwarded to the sanctioning authority.

Division

From J. C. Johnston Esq^r, Executive Engineer,
Tanjore Division, to the Superintending
Engineer, & Circle, Madras, dated Tanjore
12th September 1895, No. 3200.

Referring to G. O. No. 3292 M dated 22nd
December 1894, in which a menial establishment
of only 10 lascars is provided in connection with
the completion estimates of the Leamery Delta System,
I have the honour to state that the above No. is
insufficient for the reasons that 5 are required
for the Surveyor and 4 are required for the Special
Assistant Engineer, Mr. Hulton, so that there is
one only left for Mr. Raghavachariar. I request
therefore that you will be so good as to obtain
sanction of Government to the entertainment of
3 more temporary lascars on Rs. 7 per mensem to
work under Asst^t Engineer Mr. Raghavachariar.

2- For simple levelling operations 4 men are
sufficient but for surveying 5 men at least are
wanted - The surveyor will do most of the survey-
ing.
