CHIEF SECRETARIAT, MADRAS.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper :—

From the Inspector General of Police, Madras, d/17th September 1895, No. 4950

I have the honour to request sanction of Government for the preparation of plan and estimate by the Public Works Department for certain additions and alterations to Police Head Quarter Office, Calicut, Malabar District.

Colonel Porteous remarked in his Inspection notes of that District, last yea that the accommodation for records and Stores was insufficient and that it would be well to extend it on the northern side with a wider veranda running along the front. I inspected the Office in this year and I agre wit with Colonel Porteous that the accommodation is at present not sufficient.

The proposed additions are marked yellow in the accompanying plan.

Order. - 1st October 1895, No. 2028.

The Public Works Department will accordingly be requested to issue the necessary orders for the preparation of plan and estimate for the proposed additions to the Police Head Quarter Office, Calicut.

(HE Lr. 2610 W. d/ 23 october 1895)

To

The Secretary to the
Government of India
P. W. Department.

Sir,

With reference to Rule III, para 28, Chapter X, Vol: I, P. W. Code, I am directed to request the sanction of the Government of India to the occupation free of rent of a building at Magulrazpuram, in the Kistna

(40—1,000—21-4-94.)

Kistna District, by the Quarry Superintendent at that place.

2. The Quarry Superintendent appears to have been permitted to occupy the building rent free in 1892 by the then Executive Engineer, but it has only recently been brought to notice that competent sanction had not been obtained to the transaction under the code rule above quoted.

3. When the matter was first reported to Government in August last, sanction was accorded under clause (c) (2) of the code rule to the recovery of rent at 5 per cent of salary from the Quarry Superintendent, but that official now protests against the payment of any rent at all, on the ground that on appointment he was promised rent free accommodation, and that the quarters he is compelled to occupy for the convenience of Government are of a most inferior description and form part of a store shed. Copy of a letter on the subject No 364 d/2nd October 1895 from the Executive Engineer, Kistna Northern division is forwarded for information.

4. A statement in the form prescribed in Rule IX, para 28, Chapter X, Volume I, P. W. Code, is enclosed.

I have &c

Note for office. The statement attached to G.O. No 2187 W d/2-9-95 should be copied without the signature at foot.

Letter from the Executive Engineer, Kistna Northern Division, to the Superintending Engineer, 2nd Circle, No. 364 S.S. dated 2nd October, 1895

—

With reference to G.O. No. 2187 W, dated 2nd September, 1895, Communicated under your Endorsement No. 1245 K.S., dated 11th September, '95, I have the honour to state that Mr. Emmett, the Mogulrazapuram Quarry Superintendent, protests against being charged rent for his quarters, on the following grounds.

(1) That on his accepting his present post, some years ago, Mr. Jopp who was then Executive Engineer, promised him rent free accommodation at the quarries. There is no written record of this, but, I think it highly probable that this was done.

(2) That the shed is used for keeping tools + plant for working the quarries, also

also that the quarry clerk has to work there during the day time.

(3) That the occupation of the Shed is for the Convenience of Government and to the inconvenience of the Quarry Superintendent, the locality being so close to the workings, that when a large blast is about to be fired, the house is to be cleared of all its inmates for fear of falling stones. That it Constantly leaks owing to the injuries to the roof by falling fragments & Constant repairs, due to this & also to the unsubstantial nature of the building, are Carried out by the personal labour of the occupant.

(4) That all the other work people at the Quarries are supplied with house accommodation free.

II I am satisfied that the above Correctly represents the state of affairs, the house is noisy, inconvenient, and

and undesirable quarters, it is used as office and store as well as a residence, and I most strongly recommend that Quarry Superintendent be permitted to occupy it free of rent, his office & the smaller stores & tools required for the quarry being located in the same building.

III. I would ask that Government be moved to rescind their order, having in consideration the special circumstances of this case, & permit the occupation of this house rent free by the Quarry Superintendent as has been the practice up to date.

Subsequently, on the representation of the Executive Engineer, it was recommended in this office Endorsement No 1379 K.S., dated 2nd October, 1895, that rent be charged only from 18th September, 1895.

2. Captain Ellis, in his letter No.

No. 364 S.E., dated 2nd Instant, Copy of which is herewith forwarded, again brings up the matter, supports a protest from Mr. Emmett against his being charged rent at all, and requests that Government will be pleased to reconsider G. O. 2187 W. dated 2nd September, 1895; in view of the Special Circumstances brought forward in his letter. I accordingly Submit the Case for final orders.
