Her Most Gracious Majesty The Queen,
EMPRESS OF INDIA,
"Windsor Castle,"
LONDON.

The Humble Representation of Peter Michael Cabral *and on behalf of* Marshall Michael Cabral, Stephen Michael Cabral *and* Eugenia Mary Cabral, *the surviving Members of the Family of the late deceased,* Michael Anthony Cabral, *now residing at Ootacamund, Madras Presidency.*

May it please Your Majesty,

That, petitioner very humbly and respectfully begs to approach Your Most Gracious Majesty with this representation and, under the stimulus *"Fiat justitia ruat Coelim,"* petitioner feels confident that, Your Most Gracious Majesty will, under the *"audi alteram portem"* principle, be pleased to go into the petitioner's deceased father's *peculiar* case fully, and award him that justice, which, *to the clear eye of God the motive is the act and the intention is the real deed.*

2. That, without further preface, petitioner humbly and respectfully begs to submit herewith, for the perusal and favorable consideration of Your Most Gracious Majesty, memorials (in original) of the petitioner's deceased father, addressed both to the Government of Madras, as well as the Governor-General of India, and the replies thereto, which, petitioner shall leave to speak for themselves.

3. That, Petitioner humbly and respectfully begs to annex, in connection with the Memorials mentioned in para. 2 of this petition, copy of the Memorial addressed to the Secretary of State for India, the highest representative of Your Most Gracious Majesty. This document, petitioner humbly and respectfully begs to state, was of the utmost importance to Your Most Gracious Majesty's petitioner's father, inasmuch as it constituted of documentary evidence in support of every item advanced in all the previous Memorials of Your Most Gracious Majesty's petitioner's father, mentioned in para. 2 of this petition.

4. That, in this connection, petitioner humbly and repectfully begs to state, that he does not plead for the creation of a new law of justice, but simply craves permission to add, that the unprecedented and unjust proceedings of the representatives of Your Most Gracious Majesty, in not having rigidly adhered to the spirit of the Orders dated respectively, 28th May and 3rd September 1866, Nos. 1679 and 2791 mentioned in para. 11 of the Memorial addressed to the Secretary of State for India, Your Most Gracious Majesty's petitioner's father has been virtually deprived, both of a pay of an equal emolument of Rs. 50, which he had been already drawing, also of an higher rate of pension than Rs. 11-10-8, which he drew till his death and by which he had sustained a heavy loss, as mentioned in para. 22 of the same Memorial.

P. M. Cabral

5. That, petitioner humbly and respectfully begs to state, that, Your Most Gracious Majesty's petitioner's father had been for many years before his death, which event took place about 10 years ago, an employé as Mess Writer in Your Most Gracious Majesty's Forces, as well as a clerk under the Madras Government, and as such, he has rendered good and faithful service, as is evidenced from the testimonials granted him by all of Your Most Gracious Majesty's representatives, under whom he has had the pleasure of serving, besides; from the other papers which accompany this representation.

6. That, petitioner humbly and respectfully begs to represent, that Your Most Gracious Majesty's petitioner's unfortunate father, having been driven to sheer necessity from want of pecuniary means to support life, himself and that of his encumbered large family's, for the protracted period he has been kept out, both of pay and employment, and also in order to be able to meet the payments of incidental charges for drawing up memorials and other expenses, which now and then attended him, in many other respects, had to contract debt to a very large extent as mentioned in para. 25 of Memorial addressed to the Secretary of State for India.

7. That, petitioner humbly and respectfully begs to mention, that in order to alleviate himself and his family, and to get rid off, from this unavoidable embarassment, Your Most Gracious Majesty's petitioner's father has, humbly and deferentially represented in full, all the circumstances connected with his case, as will be seen from his Memorials to Government, dated 22nd December 1877, 31st July and 12th December 1882, and respectfully solicited a redress, in the way of passing an order for the disbursement to him of the amount which has been legally and reasonably claimed therein.

8. That, petitioner humbly and respectfully begs to bring to notice, that Your Most Gracious Majesty's petitioner's father, unfortunately for him, at the time this request was made in the Memorials just quoted above, Colonel G. W. Walker, Royal Engineers, who was his real opponent and the sole agent, for his life to have been all along one of misery and sorrow whilst as Superintending Engineer of the seventh Division, Coimbatore, has, even at this dilemma also, of his having been then, as Secretary to Government, D. P. W., tried all his best, and has succeeded in avenging his cause, of seeing Your Most Gracious Majesty's petitioner's father and his family ruined for life, and having been himself once already a victim to a family combination in the office and to that officer, has entirely denied to him of the justice, which, Your Most Gracious Majesty's Government is wont to extend to one, who, has all along been dealt with, very unjustly.

9. That, petitioner humbly and respectfully begs to state, that at the time of the Proclamation of Your Most Gracious Majesty's Jubilee in 1887, Your Most Gracious Majesty's petitioner's father has once again, and as a last alternative, memorialised the Secretary of State for India, the highest representative of Your Most Gracious Majesty, through the Local Government, during the Governorship of Lord Connemara, as mentioned in para. 3 of this petition, but regrets much, that instead of giving effect to the spirit of the order which was promulgated and issued at Your Most Gracious Majesty's command, through the Secretary of State for India, then desiring all, who wish to lay open their grievances, may do so, by writing to be taken either in the shape of a memorial or in the way of a representation addressed direct to Your Most Gracious Majesty, through the Secretary of State for India. This last mentioned Memorial so addressed, has been retained, and with what cogent or tangible reason, Your Most Gracious Majesty's petitioner cannot say; but this much may be said, that the case of Your Most Gracious Majesty's petitioner's father, which being one of a deplorable condition, as set forth in the above mentioned Memorial, has not been viewed, with that due consideration and proper justice as it deserves, unless perhaps, to say at all, that it has been dealt

with in a very perfunctory manner and disposed off, as in the sense of all other papers of no significant nature, and thus contented Your Most Gracious Majesty's petitioner's father, with a mere reply, to the effect, that the Government has declined to forward the Memorial addressed to the Secretary of State for India. This, is a point, which, Your Most Gracious Majesty's petitioner would most humbly and respectfully solicit Your Most Gracious Majesty to deeply and properly consider upon, as to the action of the Madras Government, in retaining the said Memorial without being forwarded on, as per the special order, which was promulgated during the proclamation of Your Most Gracious Majesty's Jubilee.

10. That, petitioner humbly and respectfully begs to mention, that he does not attempt to approach Your Most Gracious Majesty with statements, other than those supported in every detail with documentary evidence, as set forth in the Memorials of Your Most Gracious Majesty's petitioner's father, herewith attached.

11. That, petitioner humbly and respectfully prays, that this, his petition, may be received, and all the papers accompanying it, wherein, representing fully the circumstances connected with the case of his deceased father, may be perused by Your Most Gracious Majesty, and that, after considering the reasonable grounds urged in this petition and the reasons advanced in all the Memorials; if Your Most Gracious Majesty is of opinion, that Your Majesty's petitioner's father has been the innocent victim of the caprice of his immediate superiors in the office, Your Most Gracious Majesty may be graciously pleased to deal mercifully and favorably with the case now.

12. That, petitioner humbly and respectfully begs to represent, that he and other members of the family of his deceased father are left unprotected, and quite in a destitute and miserable state, struggling hard, especially, at this very dear place, to maintain life himself, his own family's, and all others dependent on him, with the small pay of Rs. 50, which he has been drawing now for over 15 years, and that, as the whole liability of Your Most Gracious Majesty's petitioner's late father has fallen now upon the shoulders of Your Most Gracious Majesty's petitioner, which he finds very hard to liquidate without getting himself also, dwindled into debts, as in the case of his father; Your Most Gracious Majesty's petitioner therefore, most humbly and respectfully prays, that Your Majesty, in Your everlasting propitiousness, will take this humble petition, into Your Majesty's very kind consideration.

13. That, in conclusion, petitioner very humbly and respectfully begs to mention, that he will not encroach further on Your Most Gracious Majesty's valuable time; he now only appeals to Your Most Gracious Majesty the Queen, Empress of India, to rescue him from the position in which he finds himself placed, and as a last resort, himself and all others dependent on him, throw themselves, at Your Most Gracious Majesty's feet, for the exercise, at least, that prerogative mercy and clemency, which connot be more fitly or more beneficially exercised than when, as now, it is prayed, on behalf of his late deceased father, MICHAEL ANTHONY CABRAL, and as well as of the surviving members of his family, by directing the payment to Your Most Gracious Majesty's petitioner, of the amount of the loss sustained, viz., over and above (2,000) Two Thousand Rupees, by Your Most Gracious Majesty's petitioner's late deceased father, as set forth in the last para. of the Memorial addressed to the Secretary of State.

14. That, petitioner humbly and respectfully begs to state, that, this representation is made now, in accordance with the earnest wish, which was expressed by Your Most Gracious Majesty's petitioner's deceased father, to his surviving family, at his dying moment, and that, the delay in the submission of the same is due, to causes incidental to Your Most Gracious Majesty's petitioner's poor and afflicted position, both as regards, the repeated loss he has sustained in his family, by the sudden demise of his 5 children one after the other within the

c.o.S.a.

short interval of two years, which has completely driven him and the family into a state of despondency and madness, with no mind at all, to do anything, until perfectly recovered and in a fit state of mind, to have taken up these voluminous file of papers of an important matter, into hand, and to a want of pecuniary means to get it drawn up &c., besides, all other domestic troubles.

With these remarks, petitioner humbly and very respectfully begs to leave the merits of the case, in the hands of Your Most Gracious Majesty the Queen, Empress of India, and that, he is fully confident, that this prayer to Your Most Gracious Majesty will not be in vain, and that, under the "*Audi Alteram Portem*" principle, justice will be rendered, now.

For which act of benevolence and charity, Your Most Gracious Majesty's humble petitioner and others dependent on him, will, as in duty bound ever pray, for the long life of Your Most Gracious Majesty the Queen, Empress of India, and for a continual peaceful reign.

Simla, the 10th of October 1895.

SIR,

With reference to your letter no 1777 W, dated the 17th July 1895, I have the honour to state that it appears doubtful whether an extension of the telegraph line from Mallapuram to Angadiparam, a distance of 13 1/2 miles by the direct route, would be a financial success, but as it would be of undoubted political value, and may turn out, even in the matter of private revenue, better than anticipated, I consider the experiment is worth making. I will probably be able to find funds for the same this year, or if not, certainly in April next.

2. A telephone line to connect Mallapuram, Angadiparam, and Kadannamana would be a good deal more costly, and I understand that it is not required if the telegraph line is extended from Mallapuram to Angadiparam. On this point please advise me.

I have the honour to be,
Sir,

Letter from the Executive Engineer, Kistna Northern Division, to the Superintending Engineer, 2nd Circle, No. 345 S.E., dated 14th September 1895.

I have just received applications from 2 of the office staff of the Bezwada Workshops for increments of salary and having inquired into the terms on which the Bezwada workshop staff hold their offices, I think it advisable that the whole question of increments of pay should be submitted for the orders of Government.

2. Under G.O. Nos. 1161 W., of 27th April '91 & 365 W., of 6th February '92, the pay of certain officials & staff continuously employed in the Bezwada workshops which had been previously debited to "Contingencies" were debited to "Establishments" and the individuals themselves brought on the strength of the Department as temporary establishments.

3. G. O. No. 365 W, dated 6th Feby '92, although it states that the rates of pay

par should be existing ones — did not according to my reading contemplate the loss of claims to increments of salary on the part of the officials in question, although the effect of the order has been to deprive these individuals of the increments to which they had previously a claim.

4 I submit a statement of the establishment and increments in force before the change was made and request that orders may be issued in settling this question.

5 I strongly recommend that some increment, however small, be allowed after a period of approved service and it seems to me that such increments should be similar to those allowed to permanent office establishment.

Most Honored Sir;

In submitting the enclosure for kind return when done with, I beg most respectfully state that the official correspondence which the Superintending Engineer so calls is disposal of a petition presented against me reporting that I encroached upon Engineer Department land.

The complaint was investigated and the matter decided on in the year 1884. I obtained the true copies of the record then.

As a petition was again presented against me on the same point by my enemies in 1894. I applied for true copies of the letters referred to in the enclosure. The Superintending Engineer 1st Circle objected to the grant of copies without an order from Court.

I beg most respectfully to state that such orders serving for the purposes of the parties applying are granted by Revenue and Judicial authorities on 2 anna copying stamp papers received from parties.

I require copies for my guidance and defence in Courts in case of disputes - and present to authorities as occasion calls.

I request I may be granted copies of the letters referred to in the enclosure as also of the original petiti
