Letter to: 1204 dated 7th September 1895
from the Executive Engineer, Cuddalore,
to the Superintending Engineer,
III Circle, Bellary.

I have the honour to inform you
that on 21st of last month, while I was returning
from my inspection of the Sagilerth works, the cart in which my Camp clerk
was travelling was upset and he fell and
broke his arm. Luckily for him, there is
a mission hospital at Kalarapad and
I was able to get the apothecary in charge,
without any delay and have the arm set.
The apothecary has now sent in a bill for
Rs. 36 and I consider he is fairly entitled
to be paid it. There is no Government
hospital anywhere near, to which I could
possibly have sent, and I request you
will sanction the payment of the bill in
question.

There is no rule providing for
such a charge, but if Government under
the circumstances of the case, see fit
to accord special sanction against con-
tingencies Establishment, no audit ob-
jection will be raised thereto. The
amount ought apparently to be Rs. 32 &
not Rs. 36.
