in. The Executive Engineer states that the Sub-Magistrate's Court can be extended in front for a sufficient length to compensate for the space taken away behind. The extension proposed is for a length of about 38 feet, and is likely to cost more than Rs 500.

2. I have the honor to request that the Board will be pleased to obtain the sanction of Government for the preparation of the necessary plan and estimate.

Sir,

I have the honor to state that since the location of the new Sub-Magistrate's Office in the Daluk lentcherry building at Arcot, the Tahsildar has not had sufficient accommodation. I consulted the Executive Engineer on the subject. He suggests that a dividing wall be run across the Sub-Magistrate's Court room and that an arch be turned between the room thus shut off and the Tahsildar's present office room which adjoins the former. This would form a room of sufficient dimensions for the Tahsildar to conduct his business in
