Part II.

1. All proposals for changes in the scales of permanent establishments must be accompanied by a statement in Part I of this form when the changes relate to the engineer or upper subordinate establishments and in other cases by a statement in Part II of this form.

2. The column headed "present scale" should invariably show the existing sanctioned scale (not the strength of the establishment as it actually stands at the time), and should be verified by the Examiner before the statements are forwarded to the sanctioning authority.

Tabular Statement to accompany proposals for changes in establishments.

Letter from the Executive Engineer,
Kistna Eastern Division, to the
Superintending Engineer, 2nd Circle,
No. 2,263. dated 20th August 1895.

I have the honour to bring to your notice that the Superintendent of Bowtaram Lock is only 2nd grade, drawing Rs 12/4.
2. There are two Locks at Bowtaram and the whole of the regulation of water below has to be managed here by the Lock Superintendent under the instructions of the Sub-Division Officer. Considering the importance of the Lock, I think it should certainly be a 1st grade Superintendent's post and I have therefore to request that you will be good enough to take the necessary steps to make it so.

3. Also on account of the increased traffic through the Lock since the opening of Lakshmiapuram Lock, and the increased necessity for sending express letters on account of water regulation, the present staff sanctioned for

for the Rock, i.e. two lock lascars
and two tappal lascars is found
insufficient. I therefore, request
that you will be good enough to
sanction an extra lascar on Rs 6/-

No. 1307 NS

Enclosure 1.

Submitted to the Chief Engineer,
Public Works Department, for favour
of obtaining the sanction of Government,
for employing a 1st class Lock Super-
intendent on Rs 15/- at Bowtarani to
look after the locks at the head of
Polraz and Buntamilli Canal in the
Kistna Eastern Division.

2. The pay of the present Lock Superin-
tendent is Rs 12/-

3. A proposition statement is sent
herewith.
