

8TH JANUARY 1895, No. 27 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following paper :—

From S. D. PEARS, Esq., Superintendent of Works, No. I Periyár Division, to the Chief Engineer, Public Works Department, dated Periyár, 19th December 1894, No. 187 C.E.

I have the honour to report that, as the Periyár works begin to approach completion, it becomes apparent that a quantity of tools and other stores, obtained in past years and retained in stock on the chance of being required for use, will not be wanted. I request the favour of orders as to the disposal of these and would suggest that I may be authorized to select and send to the Public Works Stores, Madras, all such as seem to me of sufficient value to pay their carriage thither. On arrival at Madras they could be valued by the General Superintendent and either sold by auction or kept in store as might be decided by Government on the General Superintendent's valuation report.

2. Any that do not seem to me to be worth sending to Madras, I would take steps to dispose of as worthless stores by sale here or at the nearest market under G.O. No. 2400 W. of 29th August 1892.

ORDER—dated 8th January 1895, No. 27 W., Public Works.

The proposals of the Superintendent of Works are approved.
