No. 750, FINANCIAL, 1ST OCTOBER 1895.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—again the following papers :—

G.O., No. 494, Financial, dated 28th June 1895.

ABSTRACT.—Passing orders on the question raised by the Public Works Department regarding the printing of covers at private presses.

G.O., No. 1744 W., dated 15th July 1895.

ABSTRACT.—Communicating the foregoing Proceedings of the Financial Department, to the officers of the Public Works Department.

READ—also the following paper :—

From W. J. H. LE FANU, Esq., I.C.S., Acting Superintendent of Stationery, to the Chief Secretary to Government, dated Madras, 21st September 1895, No. 1532.

In pursuance of the circular official memorandum, in the Public Department, No. 2024, dated 17th October 1879,

1. Public Works Department.
2. On Her Majesty's Service Office.
4. Clerk, Sub-division Office.
5. To the Executive Engineer, North Arcot Division.
6. To the Executive Engineer, Tanjore Division.
7. To the Superintending Engineer, 2nd Circle.
8. To the Examiner of Public Works Accounts.
9. To the Superintendent, Lock.
10. To the Overseer in charge, Canal.
11. To the Officer in charge of Treasury, Kistna.
12. To the Tahsildar.
13. Sets of rubber types or dies to compose several addresses.

recorded in G.O. for a large number of Works Department for a large number of rubber stamps of the descriptions noted in the margin. It appears to me that there is no necessity for the supply of stamps other than Nos. 1 to 4. The addresses on covers may be written by the despatching clerks, as is done in all other departments. If such stamps are required to be supplied, there will be heavy expenditure, not only for making them, but also for repairing them from time to time. I have, therefore, the honour to request that I may be favoured with the orders of Government on this subject.

ORDER—No. 750, Financial, dated 1st October 1895.

The Government agrees generally with the Superintendent of Stationery and considers, moreover, that the stamps of each description should be so designed as to be of use in any office of the Public Works Department. There is no necessity for supplying each office with a different stamp containing its name. Stamps of the pattern shown in the margin will be supplied to such head offices of the department as require them, and the Public Works Department will be requested to arrange for a consolidated indent for the same being forwarded to the Superintendent of Stationery.
