build the rest on the open ground round the place.

3. As to item (E) - we do not require a drill shed, but I think we should have the out buildings demolished and the ground cleared, and if possible latrines erected. If we do not get this done, the surroundings will be always very difficult to keep clean.

4. My proposals are therefore:-

(a) to convert the prison wards into huts for 50 men.

(b) to convert the debtors' and female wards into huts for 8 Head Constables

(c) to omit the jail hospital from our scheme. I believe the Board of Revenue proposes it as a secret office.

(d) to convert the condemned cells into Police huts.

(e) to clear the ground of ^{the} out buildings and to erect some suitable latrine accommodation.

5. I regret the delay in replying to the G.O. I have had some difficulty in getting the plans and wished to see the place before reporting.

READ the following paper:—

From the Inspector General
of Police, Madras, of 18th October 1895,
No. 5287.

90 21571129895. With reference to G.O. No. 1647,
Judicial, of 7th August 1895, regarding
the Chittoor old jail buildings, I have
the honour to say, that, after seeing
the buildings and consulting with
the Superintendent, I have no objection
to the course proposed by Mr. Clerk,
the Executive Engineer, being taken.

2. The jail Hospital we do not
want. item (c) - The condemned cells
should be converted into huts as Mr. Clerk
suggests. - item (d) - We want huts for
44 men, and not for 58, the number
Mr. Clerk is going to provide for in the
existing prison wards. If he converts the
condemned cells into huts we shall get
a few more - & I think it is - and
