P. W. Department

With reference to the

in the 1st page of the 27th

1895, page 471, I have the honor

to point out that it will now be

possible even if an Inspector

at once appointed to license

boilers before the 1st December.

Time beyond which no boiler

should be used without license

therefore be extended to a date

which will allow the Inspector

months (within which to examine

boilers) after the probable date

of his appointment.

OFFICE OF SANITARY ENGINEER,

Fort St. George, 31 Oct 1895.

From

J. A. JONES, Esq., MEM. INST. C.E., F.R.S.E.,

SANITARY ENGINEER TO GOVERNMENT,

To

The Secretary to Government,

P. W. Department

SIR,

With reference to notification in Fort St. George Gazette of 27th August 1895, page 971, Part I, I have the honour to point out that it will now be impossible even if an Inspector is at once appointed to license all boilers before the 1st December. The time beyond which no boiler may be used without license should therefore be extended to a day which will allow the Inspector a month (within which to examine boilers) after the probable date of his appointment.

Defering the introduction of the Steam Boilers' Act

No 2832 W of 7th Nov 1895

Note for His Excellency
the Governor:—

It will probably not
be safe to calculate on
the appointment of Boiler
Inspector being sanctioned
before three months, as
the sanction has to be
applied for and received
through the Government
of India - 6 months after
this, will bring the
date up to 1st Aug. 1896.
