By order,

G. C. Fress

Under Secretary to the Government of India.

No. ¹⁶/₁₄₅₈₋₈₃ Public.

Extract from the Proceedings of the Government of India, Home Department
(Public), under date Simla, the 27th September 1895.

READ—

Home Department Resolution Nos. 45--1755-70, dated the 24th September 1879.

READ also—

Home Department endorsement Nos. 26--1069-77, dated the 4th August 1893, forwarding to Local
Governments and Administrations a draft General Order making certain additions to the rules
relating to the grant of shooting passes to British soldiers which were circulated with Home
Department letter Nos. 1469-78, dated the 16th May 1892.

RESOLUTION.

In the Resolution read in the preamble Local Governments and Administrations
were requested to instruct district officers to take every opportunity of warning English-
men and others against entering on standing crops for sporting purposes unless they
first obtained the permission of the owners to do so. The Government of India have
recently had brought to their notice a case in which a European, while out shooting, caused
the death of two natives—in an affray arising out of the fact that he shot peafowl in the
vicinity of a village. The rules issued by the military authorities for regulating the grant
of shooting passes to British soldiers provide all the safeguards that are practicable to
prevent affrays between soldiers and villagers; but there are at present no orders ensuring
that such warnings shall be given as may, so far as is possible, duly direct and regulate
the conduct of sportsmen other than soldiers. The Governor General in Council accord-
ingly desires that instructions should be issued by Local Governments and Adminis-
trations to district officers to warn sportsmen, whether Europeans or others, (1) against
trespassing on standing crops without the consent of the owners; (2) against shooting
peafowl, or other birds or animals which are looked upon as sacred, in the vicinity of
villages or habitations; (3) against shooting domestic animals, such as dogs or pigs; and
(4) generally against shooting in the immediate vicinity of villages, temples and mosques.

2

ORDER.—Ordered that a copy of this Resolution be forwarded to Local
Governments and Administrations with a request that printed copies of it be
pasted on cardboard and hung up in every Government Office;

that a copy be forwarded to all Heads of Departments under the Home
Department for information and guidance.

and that a copy be communicated to the several Departments of the
Government of India for information and issue of any further orders that may be
considered necessary.
