SUPERINTENDING ENGINEER'S OFFICE,

V Circle, Madras,

Chennai, 29 October 1895.

From

Lieut. Colonel C. C. Rawson R. E.

SUPERINTENDING ENGINEER, V CIRCLE,

To

THE Chief Engineer
P. W. Department

SIR,

I have the honour to forward herewith two letters

No. 404 S. E and 405 S. E, both dated 19th October

Enclosures. 2

1 Letter N. 404 S. E.

719-10-94 Jom

En Eng. Negapatam
Dun with 1 Encl.

1 — do N. 405 S. E.

— do — do —

1895, from the Executive Engineer Negapatam

with letters from the Sub Division Officers of Manargudi and Tirumuraiundi.

2. Sub Division Officers' Quarters have been

built both at Manargudi and Tirumuraiundi

under the idea apparently that the Officers in

charge of these Sub Divisions would be Europeans.

3. I have seen the Manargudi bungalow;

it is absolutely unfitted for occupation by a

native; nor will one ever live in it. it is

a mile and a half out of the town and close

to the European Cemetery.

4. I have not yet seen the
Tiruturaipundi, but believe the
unsuited for occupation by a native
that Mr. Gopala Iyer occupied it, but I believe
it was only because he could get no other house
suitable to his position. Supervisor Viswanatha
Iyer declines to live in it.

5. It was originally intended that Mr. Hutton
should occupy the bungalow at Manargudi, as
it was then believed to be impossible for him
to get a house in either Tanjore, Cumbaconam or
Negapatam; he has however since secured
a house in Tanjore.

6. I request that you will permit both these
buildings to be taken over as rest houses for
the Cannery project. Negapatam is a division
which will always be held by a Native Executive
Engineer, so it is in the last degree improbable
that there will ever again be European Sd. Officer
at Tiruturaipundi or Manargudi. Rest
houses are badly wanted at both these places.

7. I also request permission to refund the rent
paid for the Manargudi bungalow by the Sd. Officer,
for the month of September and to stop

from him for a building while he
is absent - also not to charge rent to
Tiruturaipundi Sd. Officer for the building
which he does not occupy.

8. In the unlikely want of a European Officer
or upper subordinate being appointed to either of these
Sd. Divisions, or a Native Officer who would live
in the building - he would of course have to
occupy the quarters - and it would not be available
for use as a rest house for that period.

I have the honour to be

Sir

your most obedt. Servt.
