READ—the following papers :—

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., Director of Public Instruction, Madras, to the Chief Secretary to Government, dated 28th June 1895, No. 6938.

On a proposal made by the Government Agent, Górávari, to the Superintending Engineer, I Circle, Government in its Order, dated 21st November 1894, No. 2986 W., sanctioned the transfer of the building known as the "Police station house at Jaddangi" to the Revenue Department for use as a public bungalow. The Government Agent, Górávari, now writes to me to say that the said building cannot be conveniently used as a public bungalow and requests me to obtain the sanction of Government for its transfer to the Educational Department, as a building is urgently needed for the Government Primary school at Jaddangi which is now being held in a rented shed (*vide* the enclosed copy of his endorsement No. 671/Agency, dated 21st January 1895, on letter from the Special Assistant Agent, Górávari, No. 757, dated 11th December 1894). The Inspector of Schools, Northern Circle, to whom I referred the matter, is also of opinion that the building in question may be taken over for use as a school-house. I have the honour, accordingly, to request that Government will be pleased to sanction the transfer of the Police station house to the Educational Department.

ENCLOSURE.

From the Government Agent, Górávari, dated 21st January 1895, Ref. No. 671/Agency.

Forwarded together with the estimates to the Director of Public Instruction, Madras, for favour of obtaining Government sanction for transfer of the building in question to the Educational Department. It was originally a police station house and its transfer to the Revenue Department was sanctioned in G.O. No. 2986 W., dated 21st November 1894. He is further requested to sanction a sum of Rs. 61 (including the charge of Rs. 5 incurred for removing the tiles) for repairing the roof of the building in question.

No. 1583.

Transferred to the Public Works Department.

2. If the "Police station house" at Jaddangi is not required for the use of the Revenue Department, the Collector should formally make over the building to the custody of the Public Works Department (*vide* B.S.O. No. 188).

To

The Government Agent
Gó dávari District

Sir,

With reference to Government
order dated 24th July 1895, no 2948^{mis}.
Communicated with your no 2661
Ver
dated 17.8.95, directing that the
Police Station House at Jaddangi
be made over to the D. P. W. if the
Revenue Department does not require
it, I have the honor to point out
that the P. W. D. after some little
delay, owing to the buildings not
being home on the works of the
Executive Engineer, Eastern Division,
have already taken charge of the
building in question on the 18th.

November 1894- vide letter from the
Superintendent of Police no 1373 dated
13th October 1894, Copy of which
was forwarded to me with your
Ref: no 527 dated 18-10-94 vide
agency
also letter no 1194 L dated 6-12-94,
Copy communicated to me with
your Ref: no 527 of 1894 dated 11-12-94
and enclosed Copy of D. P. W. Overseers
letter no 190 dated 24-11-94.

2. On behalf of the Educational
Department there is no one who
can take over charge of the building
except the Junior Superintendent
of Hill schools who is an officer
of the Educational Department
and also working under my
orders and supervision or the
by Tahsildar of Yellavaram
who has already taken over charge
of it on the strength of the
Executive Engineer's letter no 1194 L
quoted above. I therefore submit
that the transfer already made

by the D. P. W. was a transfer not
to the Revenue Department but
to the agency officer, who has
also the management of Education
as one of his duties and that any
further formal transfers to the
D. P. W. and again to the agency
Department are unnecessary
and would cause further delay
in this simple matter.

I have
sg C. G. Spencer
as special Asstt Agent.
