Office of the Consulting Architect to Govt.
Chennai, Madras.

No. 3146

28th January 1895

From
Henry Innes, Esq., C.I.E.,
Consulting Architect
to the Government of Madras.

To
The Chief Engineer
Public Works Department.

Sir,

Enclosures.

I have the honor to enquire whether
Government would allow me to take as an
articled pupil my eldest son Harold Innes
and to have him instructed in my office &
in the works under my charge. It will be
a great convenience to me if Government
will be pleased to grant this permission.

I have the honor to be,

Sir,

Your most obedient Servant,

Henry Innes
Consulting Architect to Govt.

W. 9 C. No. 617

For orders.

There is no provision
in the rules for a case of
this kind - which seems
to be the first that has
arisen - On the other
hand there seems
nothing in the rules to
bar the application
^{which rests in itself}
~~There will be no change~~
~~in system at all -~~
~~to God, and the case~~
~~with it, therefore, comes~~
~~under the Examiner's~~
~~audit.~~ The C. A. ^{may} ~~will~~
^{possibly} devote a portion of his
official time to the
instruction of his
articled pupil, and this
pupil though not a
God's Servant will have
access to God's records &
works, ^{but open journals do}
~~If there is no~~
~~objection on these grounds,~~
~~the report of~~
~~them seems nothing~~
~~the application~~
~~so that can be~~
~~advanced against the~~
~~proposed.~~

It should perhaps

be a condition that the
"Articles" must be so
drawn as not to bind
the Govt in any way.
and it will probably be
^{advisable} ~~necessary~~ that with this
view they should be
examined by the Govt
Solicitor. Subject as

This certificate I would
recommend that the
permission asked for
be granted -
