7th November 1895.

From

Henry Irwin, Esq., C.I.E.,

Consulting Architect

to the Government of Madras,

To

The Chief Engineer

Public Works Department

Sir,

Enclosures.

I have the honor to state that I am unable to procure serviceable bullocks at Madras at a reasonable price for use at the Government Brickfields as sanctioned in G.O. No. 1492 dated 19th June 1895. I addressed the Officers in charge of Cattle Depots on the subject and I just received a Telegram from Mysore that bullocks are available. I therefore request permission to send Hon'ble Asst. Engineer Mr. P. Mahony to select 3 pairs & bring them here.

I have the honor to be
Sir

Your most obedient servant

Henry Irwin
