Under Secretary to the Govt. of India.

No. 4672-Ex., dated Simla, the 30th September 1895.

RESOLUTION,—by the Government of India, Finance and Commerce Department.

The Governor General in Council has had under consideration the question whether exchange compensation should or should not be included in estimates of cost when proposals are submitted for the entertainment of additional, or for the revision of existing establishments. An estimate which excludes the allowance cannot be regarded as complete, and uniformity of practice in the matter is obviously desirable. His Excellency in Council is accordingly pleased to direct that in all cases in which exchange compensation allowance is practically certain to be an element of any proposed expenditure, it should be included in the estimate of cost, and should be calculated at the rate adopted in the budget estimates of the year.

ORDER.—Ordered, that this Resolution be communicated to all Local Governments and Administrations and to all Departments of the Government of India.

Ordered also, that this Resolution be communicated to the Comptroller and Auditor General; to the Head Commissioner of Paper Currency; to the Commissioner, Northern India Salt Revenue; to the Director General Post Office; to the Mint Masters, Calcutta and Bombay; to the Superintendent to Government Printing, India; and to all Accountants General and Comptrollers, for information and guidance.
