Dated 20th October 1895

From the Supy Engineer & Circle.

NOTE BY TECHNICAL SECTION.

Name of work Lime Kilns & at Vadher.
waran in the Kistna District.

Amount of Estimate Rs 5740

With reference to G.O. No. 1684 W dated 9th July 1895, the S.E. II Circle submits a 3rd revised estimate amounting to Rs 5740, for constructing new lime kilns & coal sheds & for general improvements to the existing kilns at Vadherwaran in the Kistna District, in lieu of the 2nd revised estimate amounting to Rs 4410 sanctioned in G.O. No. 2053 W dated 10th Aug^r 1893.

The excess of Rs 1330 is chiefly due to the kilns having cracked which necessitated partly rebuilding & to the lining of the old kilns with fire bricks.

The S.E. proposes to meet the excess by increasing the monthly credits from Rs 65 to Rs 85, for which the sanction of Govt. is solicited.

Letter from the Executive Engineer,
Kistna Western Division, to the
Superintending Engineer, 2nd Circle, No.
280 S, dated 11th October, 1895.

With reference to your endorsement
No 884 Ks, dated 16th July, 1895, Com-
municating copy of G. O. No 1684 W, of
9th July, 1895, I have the honour to re-
-port as follows:—

Para 1 of G. O.— The profit of No 627-3-11
has been credited to "Land & Kilns"
in my accounts for July, 1895, as sug-
-gested by the Examiner, P.W. Accounts,
in his letter No 2707 L, of 31st July, '95.

2. Para 2. As regards my proposals
for the revision of the monthly clear-
-ance instalments, I have the honour
to submit a 3rd revised estimate
for "Constructing new Lime Kilns, Coal
Sheds &c at Vaddiswaram", amounting
to Rs 5,740, for the Sanction of Govern-
-ment, in supersession of the one
for

for Rs 4,410 sanctioned only on 2053 u, of 10th August, 1893, & to state that the necessity for this revised estimate is explained in the Comparative Statement herewith forwarded.

3. The state of the "Land & Kilus" account up to 30th September, 1895, or up to date is as ~~shown below~~ ^{shown below}:-

Amount of Estimate last sanctioned
Rs 4,410

Debit
Amount cleared by monthly instalments viz:-

12 Months or instalments from April '92 to March '93 at Rs 50/- per month - 600

Rs 60/- from April '93 to March 1894 at Rs 65/- per month 780

12-50- from April 1894 to March, 1895, at - 50- 50- 780

6-50- from April to September, 1895, at 50- 50- 390

42 Total Rs 2558

Profit as per Para 1 of this letter - 637

Total 3,195
Balance 1,215

Balance brought forward Rs 1215

Add

Difference between the Current & 3rd revised estimate now submitted
(5740 - 4,410) 1330

Total still to be cleared - 2545

As already sanctioned the Land & Kilus account has been cleared in a period of 6 years or 72 instalments, of them, as shown above 42 instalments have been recovered, & therefore, the above balance viz Rs 2545, will have to be worked off during the next 30th months, commencing from October, 1895, at the rate of $\frac{2545}{30}$ = Rs 85 per annum for which the sanction of Government is now required.

4. This enhanced clearance rate with * for debits like under the provision of Rs 780 made in raised on account of credits to "Land & Kilus". the current year's estimate for lime manufacture to be exceeded by Rs 120, but, I expect, this will be covered by * Difference between Rs 65 + 85 from Oct '95 to March, 1896 at Rs 20/- per month for 6 months as I am going to burn a larger quantity of lime this year than in last year, & if necessary, I will submit a deviation statement for your sanction by the end of this official year.
