Letter from the Executive Engineer,

ing Engineer, Circle, No. 3309, of 30th Oct 1895.
Reference your No. 1561 K.S. dated 24th
October, 1895, herewith returned with Enclosures.

I have the honor to state that the
witnesses in question were not summoned
by the Court, because, as I have already
explained, the notice received by me was
not sufficient to enable me to instruct
the Government Pleader to do so. They
cannot therefore be paid by the Court.
2. I myself sent for the witnesses
by the advice of the Collector in the
interests of Government, and I trust,
therefore, that no further objection will
be made to passing the charges incurred.

Letter from the Executive Engineer,
Kistna Eastern Division, to the
Superintending Engineer, 2nd Circle,
No. 1960 dated 1st August 1895.

I have the honour to inform
you that I had to pay the following
individuals their travelling expenses
for goings to Masulipatam from
their villages in order to give
evidence in the case of Kesarapati
Sluice referred to the District Court
by the High Court and to request
that you will be good enough to
obtain sanction of Government
for disbursing the amounts. They
have been included in my contingent
bill for May 1895, and disallowed
by the Examiner pending sanction
of Government.

Chief

That the case has been remarked for retrial
by the High Court and the date for
hearing was fixed on the 10th April 1895.
I have had no intimation whatever of
the result of appeal filed by the Zamindar
in the High Court. Seeing that the hearing
date was near at hand and that the suit
involved matters of very great importance
to Government interests, I, after consulta-
tion with the Collector took steps to
secure the presence at Masulipatam of
the witnesses in the case, issuing no-
tices to attend, through the Tahsildars
concerned.

3. In these circumstances, I have to
request that the Government may be
moved to pass the travelling allowances
paid to the men.

Chief Engineer, for Irrigation
for favour of obtaining the
sanction of Government to the
payment. The expenses incurred
were on account of cart hire
and batta, and unless their
expenses were paid, the witnesses
would not have appeared.

W. B. Bannister
Major, R.E.

Superintending Engineer,
II Circle.

To W.

Further particulars were called
for by this office from the Superin-
tending Engineer 2nd Circle as to
the circumstances under which the
travelling expenses of the witnesses
were paid. A copy of the Executive
Engineer's reply and the Superintend-
ing Engineer's endorsement thereon,
No. 1393 K.S. dated 5th October 1895,
is forwarded.

2. It is not yet clear why the
cart hire and batta were not paid by
the Court and should Government con-
sider that the payment of the charge
by the Executive Engineer was neces-
sary in the interests of service it
will be admitted if so sanctioned un-
der Establishment Contingencies.
