PROCEEDINGS OF THE MADRAS GOVERNMENT

Read the following Proceedings of the Board of Revenue, Land Revenue, dated 24th October 1895 No 5393 Mis on the following letter from the Collector of Godavari dated 7th October 1895 Ref. No 4485/Ver.

I have the honor to state that the old Sub-Magistrate's - Cutcherry, the convict cells and the Police station House at Tuni are in a dilapidated condition. These buildings are not now required for any Government purpose. The book value of the first building is reported by the Superintending Engineer to be Rs1000 and that of the two latter to be Rs800.

2. The land occupied by these buildings measures 283 1/3 Sq Yds also They have a compound measuring 672 Sq Yards attached to them.

3. The Superintending Engineer has valued the buildings alone at Rs 500 and the President, Taluk Board, is willing to purchase them together with the compound for Rs 600 for the use of the Local Fund School. The buildings and the site are not likely to fetch more even if sold in public auction. I therefore request that the Board will be pleased to obtain the sanction of Government to their sale for Rs 600 to the Taluk Board, Cocanada.

Resolution

Submitted for the sanction of Government.
