Sir,

I have the honor to forward herewith a draft notification for the acquisition of a piece of land measuring 77' x 70' required for the construction of a warehouse at Cochin sanctioned in G. O. N^o 1291 W. dated 31st May 1895.

2. The land in question is situated near the Custom House and forms part of Government land paying ground rent at the rate of Rs 2 per 100 Perukkams. It is leased out to one Govindaraj Shetty and 3 others who have rented out the whole land measuring 7378 square feet for Rs 26 a year. No Compensation has therefore to be paid for the land. The occupiers of the land claim large sums on account of the cost of reclaiming it.

The amount of Compensation to be paid

is roughly estimated at Rs 260 by the deputy
collector, Bochin. He thinks that it can be
settled after the publication of the notification
