PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Collector of Nilgiris, dated 18th December 1894, No. 17, requesting early orders in the matter of reducing the Municipal Engineering establishment and on the subject of granting a remuneration to the Chairman, Municipal Council, Pottacammund.

From the Public Works Department, dated 7th January 1895, No. 6 C. transferring note by the Chief Engineer, Public Works Department in the matter of reducing the Municipal Engineering establishment of Pottacammund Municipality.

Order dated 30th January 1895, No. 143 M. M.

The Government agrees with the Municipal Council and the Collector in considering that there is no necessity for the retention of a separate Engineer for the Pottacammund Municipality. A supervisor on the salary proposed by the Council should be well able to carry out the ordinary Engineering work in the town, and should schemes of any magnitude

be

undertaken the advice of the Sanitary Engineer or the Public
Works Department can be obtained on the usual arrangement
being made. The abolition of the post of Municipal Engineer
and the entertainment of the staff proposed in the Council's
resolution of the 13th December 1894 are accordingly sanctioned, as is
the payment of a salary of Rs. 250 per mensem to the Chair-
man, proposed by the Council in recognition of his services to
the town.
