COURT OF WARDS, 11TH JANUARY 1895, No. 1.

PROCEEDINGS OF THE COURT OF WARDS.

READ—again Proceedings of the Court of Wards, dated 15th January 1889, No. 80.

ABSTRACT.—Communicating to Collectors concerned, Government Order, Revenue Department, communicating Proceedings of the Public Works Department approving certain modifications of the Code rules in respect to the grants for Court of Wards' estate works.

READ—also the following Government Order, dated 19th December 1894, Mis. No. 500¹, Revenue:—

Read—the following endorsement of the Public Works Department, dated 13th December 1894, No. 4048 C, on the following:—

Office-note from the Examiner, Public Works Accounts, No. 4617 D.B., dated 23rd November 1894.

Government Order No. 2304 W., dated 12th September 1894.

If the sanction to the grant of Rs. 1,292, referred to in the Government Order quoted above, has been received, please communicate the same to me at an early date.

Office-note to the Examiner, Public Works Accounts, No. 3843 C., dated 1st December 1894.

No order later than that quoted above has been received, and I do not expect that any further order will issue. In paragraph 3 of the Proceedings of the Court of Wards, No. 953, dated 14th June 1894, the Collector was directed to place the necessary funds at the disposal of the Public Works Department on receipt of the sanction of Government. This sanction was communicated in Government Order, dated 26th June 1894, No. 1579 W. The allotment has been taken credit for in the books of this office.

The procedure adopted by the Court of Wards in these cases seems defective, and if you will suggest an amendment, I shall refer it to the Revenue Department for consideration.

Office note from the Examiner, Public Works Accounts, No. 4848 D.B., dated 10th December 1894.

Your Office-note No. 3843 C., dated 1st December 1894.

The procedure regarding the provision of grants for Court of Wards' estate works carried out by this department was laid down in Government Order, No. 3706 W., dated 23rd November 1888, and under this order, the grants made by the Court of Wards have to be communicated to me by the Secretary before they can be taken into the Budget Registers.

2. In the Proceedings referred to in your Office-note, the Collector has been requested to place the requisite funds at the disposal of this department, but in the absence of any specific intimation from the Secretary as to whether the grants have been so placed and, if so, when, the amounts have not yet been taken into the Budget Registers.

3. If instructions to a Collector requiring him to place funds can be taken as authority that the funds will be so placed, and entered in the Budget Registers without any further intimation from the Court as is necessary under existing rules, it would greatly simplify matters.

Endorsement.

Copy of the above forwarded to the Revenue Department, with reference to the endorsement in that department, No. 3472, dated 5th September 1894, on Proceedings of the Court of Wards, No. 863, R.S., dated 31st August 1894, and in view to the procedure for placing funds at the disposal of the Public Works Department being clearly defined and acted on.

2. Under clause III, paragraph 2 of the Examiner's Office-note recorded with Government Order, No. 3706 W., dated 23rd November 1888, intimation of the allotment of funds has to be communicated by the Court of Wards direct to the Examiner, Public Works Accounts, and Superintending Engineers concerned, but no provision is made for informing the Public Works Secretariat. The procedure is in this respect defective. It is suggested that the sanction to all grants made for estate works carried out by the Public Works Department be communicated by the Court of Wards to the Public Works Secretariat. Intimation to officers of this department will thereupon be made from this office.

Order—dated 19th December 1894, Mis. No. 5009, Revenue.

The Court of Wards will be requested to adopt in future the procedure suggested by the Public Works Department in paragraph 2 of its endorsement read above.
