PUBLIC WORKS DEPARTMENT.

No. 3035 of 28 November 1895

PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following

Proceedings, Judicial Department, No. 2301 Dated 11th. Novr. 1895.

Note by the Chief Engineer, P.W.D.:-

The estimate has been increased from Rs. 360 to Rs. 380 by the provision of foundations to the partition wall and by substituting concrete to ground level for part concrete and part laterite masonry in the foundations of the latrine.

2. In a note on the plan the Inspector General of Prisons objects to the sink attached to the latrine for purposes of ablution. As it is intended for such purposes, as well as for the retention of urine which will be deposited in a bucket placed in the sink, it may be retained.

ORDER THEREON:.

The estimate as corrected by the

that the sink is intended both for purposes of ablution as well as for the retention of urine, which will be deposited in a bucket placed in the sink.

The foundations of the latrine are proposed to be laid partly of concrete & partly of laterite masonry, if concrete be substituted to ground level, 2 feet wider than the masonry above, the strimati will be increased by Rs 6 only.

The rates are from the strimati is in order.

The amount of the strimati is within the sanctioning power of the J.E. IV Circle.

It may be retained

*To be altered accordingly
attended accordingly.*

11/11/95

21/11

19.11.95

I don't understand from 2- of the J.E. object to it. It should be retained.

I presumed that it might be accepted for cleaning the latrine. and as the J.E. does not object to it if necessary for purposes of ablution I thought it might be allowed to pass. The words "unless it is intended for" have been omitted in the draft by accident. They are now supplied.

Public Works Department.

Current No. 8963

Letter No. 2301

Dated 11th November 1895.

From the Judicial Department.

NOTE BY TECHNICAL SECTION.

Name of work. Converting one block of the
Old Dist. Jail at Calicut into a hospital
Amount of Estimate Rs 360

The plan & estimate under re-
view provide for converting Wg
ward in the late District Jail
building at Calicut into a
hospital for the use of sub-jail
prisoners, by dismantling the
masonry platforms in the ward
in order to make the floor one
level and for building up one
half of the open side verandah,
so as to form a room for surgery
& stores, & also for constructing
a latrine & repairs to the roof
of the proposed hospital & kitchen.
The provision appears to have
been made for foundation to the
partition wall marked A in the
tracing plan.

The D.C. of Prisons in comment-
ing the plan, remarks that
the sink attached to the latrine
is unnecessary & objectionable
& should be omitted unless it is
intended for purposes of ablution.
In reply, it is submitted that

See for the opposite & side
walls. Provision for the
may be made in this office

Dr Foundations have been provided
for only wall A. The opposite
& side walls apparently
rest on retaining wall founda-
tions.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper:—

Endorsement of the ^{Inspector} ~~Accountant~~ General, ^{Prisons} Madras,

dated 23rd. October 1895, No. C. 137, on letter from the
Surgeon ^{General} Madras, dated 13th. October 1895, No. Tour 2/19.

With reference to G.O. No. 1053, dated the 18th. May 1895,

I have the honour to forward herewith a plan and estimate
amounting to Rs. 360 for converting ward No. 7 in the late Dis-
District Jail building at Calicut into a hospital for the sub-
jail prisoners. The proposition statement in duplicate called
for in the above G.O. is also herewith submitted.

O R D E R, dated 11th. November 1895, No. 2301.

The estimate is approved and will be
transferred to the Public Works Department.
