

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Letter from the Director General of
Telegraphs, No. 5636, of Simla, the
10th of October 1895: —

With reference to your
letter No. 1777 W, dated the 17th July
1895, I have the honor to state that
it appears doubtful whether an exten-
-sion of the telegraph line from Mal-
-puram to Angadipuram, a distance
of $13\frac{1}{2}$ miles by the direct route, would
be a financial success, but as it would
be of undoubted political value, and
may turn out, even in the matter of
private revenue, better than anticipated,
I consider the experiment is worth
making. I will probably be able to find
funds for the same this year, or if not,
certainly in April next.

2. A telephone line to connect
Malappuram, Angadipuram and Ka-
-damamama would be a good deal
more costly, and I understand that
it is not required if the telegraph line
is

is extended from Mallapuram to
Angadipuram. On this point please
advise me.

Order thereon No. 2697 W of 29 October 1895

Communicated to the
Judicial Department with reference
to G.O. No. 1395 Judicial dated 3rd July
1895 for information, and for report
on the point mentioned in para 2.
