under Art. 60 of the Civil Service Regulations. These men have worked in the late temporary establishment of the T. R. Scheme for the periods noted against them, and <sup>must be</sup> are only confirmed in their same appointments. They have done very well hitherto and seem perfectly fitted to discharge their duties. ~~which is~~ In view of the fact that these men are not taking up fresh appointments, but are only confirmed in the appointments which they have hitherto filled satisfactorily, I request you will be so good as to obtain the sanction of Govt. to exempt them from producing medical certificates under Clause 2 Art. 60 of the Civil Service Regulations.

For orders.

To bring the case under Art. 60, clause 2 of the C. S. R. "public grounds" have to be alleged. It is thus doubtful whether they come within the rule.

The men can, if so ordered by Govt., be kept on Sub: pro: tem. So long as they are efficient, and charges for pension will thus be avoided.

Re my plan I think, we can't adopt "pro tem" under article 60 -
