Acting Collector of Mysore, through the
Conservator of Forests, Northern Circle, dated
21st September 1895, No. 705

In reply to Board's Proceedings Forest
No. 1298 dated 5th September 1895 forwarded
to me by the Conservator of Forests,
Northern Circle with his R. C. No. 749 dated
14th September 1895, I have the honor to
state that the Rajahmundry Range officer
was charged rent at the Special rates
for Forest buildings and his pay being
only Rs 100 per month, he was charged
Rs 5 only. The rent asked for by the
D. P. is 10 per cent on his pay or Rs 10-00.

Not as did.

It is obvious from para 2 of B.P. dated 11-4-94, G.O. No 491 this disposed of in G.O. dated 4-5-94. No 3 of Revenue, that the special rates of rent sanctioned therein were intended to apply only to "Subordinates" who are compelled to reside in the forests in Government buildings. As the building occupied by Ranger McLaughlin is situated at Rajahmundry, he is not entitled to the favourable rates. But for the reasons urged in the Collector's Second letter read above and in consideration of the fact that a portion of the building is occupied as Range office, the Board recommends that Government

Should

Should as a special case forego the
payment of the higher rent now
demanded by the P. & R. Department.

Note

In the face of the decision arrived
at in G.O. 2507 W dt 11th Oct 1895, the
R.D. cannot it is submitted remit the
rent and order same chief for to issue
in the R.W.D. The above list is chief
submitted for approval.

Under Sec 146 of the
Forest Code Mr Hooper could not have
"assessed" the debit of the rent as office
rent. The Board has ignored the point and
it is presumed that it need not be written
in the Govt Order.
