

Letter from the Resident Engineer,
Kistna Eastern Division, to the Super-
intending Engineer, Circle No 3608, dated
23rd November, 1895.

With reference to your No 1713 Ls,
dated 9th November, 1895, I have the
honor to point out that it is very ne-
cessary to get the repairs to the District
Court completed before the next South
West Monsoon, and to insure that it
is necessary to commence collecting
materials at once, so that all may be
brought to Bunder before closure of
canals on 1st March and sufficient
brought to site to start work in January
at latest.

2. The portions of the roof which
have to be renewed are in a very doubt-
ful condition, and I do not think it
is at all desirable to allow the build-
ing to remain in use longer than can
possibly be helped.

3. I have therefore to request that
you

you will be good enough to apply re-
-gently for Rs 3,500 for the current year.

2. The District Court house at
Masulipatam is in a most dila-
-pidated and possibly dangerous
state and should be repaired at once.
