Proceedings of the Board of Revenue (Land Revenue), Mis. No. 5684, dated
14th November 1895.

Read—the following letter from H. BRADLEY, Esq., Collector of Coimbatore, to
the Secretary to the Commissioners of Land Revenue, dated 29th October
1895, Ref. on Cur. No. 3703, Rev. :—

The court-house in the office of the Deputy Tahsildar of Aravakurchi is so small
that it can scarcely accommodate 3 or 4 Vakils at a time, and there is no spare room
in it for keeping the spare sub-jail cumblies and coir-mats, rain glasses, stationery
articles, &c., of the office. The Executive Engineer and his Sub-divisional officer
inspected the building and, as desired by them, the Deputy Tahsildar requests that
the court hall may be made spacious by removing the wall between it and the private
chamber, that the south-eastern verandah of the building may be closed and formed
into a room and that another may be formed by enclosing the verandah at the back
for keeping cumblies, &c.

2. As the Executive Engineer estimates the probable cost of the proposed improve-
ments to be Rs. 630 and as the repairs to the building are attended to by the Public
Works Department, I have the honour to request that, with reference to G.O.,
No. 2806 W., dated 7th October 1892, the sanction of Government may be obtained
for the preparation of an estimate.
