PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following

From the Superintending Engineer, I Circle, No. 1669 G.D.d/26th Octr. 95.

,, Examiner, P.W. Accounts, No. 4033 A. dated 18th November 1895.

The Government of India will be addressed.

2. With reference to the Examiner's note, it is observed that according to the note to para 6 of the local

rules which are published at pages
462-4 of Part I of the *San George*
261-23 of the Asylum Press almanac;
forgets of the 24 April 1894,
officers of the P.W. Department come

wholly under the rules of the P.W.

Department as regards Vernacular tests.

3. The Superintending Engineer applies for the reward claimed by Mr. Parker under para 43, Chapter II, Vol.

I P.W. Code, but this para relates to

rewards to officers who pass by the

Lower Standard in a second language

after qualifying in the compulsory

standard under para 29. A foot note

to this para moreover declares that

it applies only to officers of the

Government of India lists. Para 38

of the same chapter relates to re-

wards for passing the compulsory -

tests.

tests, but the grant of Rs.180 there-
in allowed is given for passing in
Hindustani only. Under para 94 of
the Madras P.W. Code, officers of
the department were granted a re-
ward of Rs.180 for passing the third
class test within two years of join-
ing the department in India, and the
Government of India will be request-
ed to amend para 38 Chapter II of
the India Code so as to grant the
rewards for passing in the recog-
nised local vernacular languages.

The Superintending Engineer I Circle
,, Examiner, P.W. Accounts.

(H. E. No. 3/604d/9th Dec. 1895)

TO

The Secretary to the Govt. of India,
P.W. Department.

Sir,

A junior officer of the Madras
P.W. Department who has passed with-
in two years of joining, the third
class test or departmental standard
in the language of the district in
which he is employed, has applied
for a reward of Rs.180 under para
43 Chapter II Volume I P.W. Code,
but I am to point out that this
para relates to rewards to officers
who pass by the Lower Standard in
a second language after qualifying
in the compulsory standard under
para

para 29. A foot note to this para -
moreover declares that it applies
only to officers of the Government
of India lists. Para 38 of the same
chapter grants rewards for passing
in the compulsory tests, but the -
grant of Rs.180 therein allowed is
given for passing in Hindustani only,
and no provision is made for rewards
to officers in Madras who pass the
departmental standard in the recog-
nised Madras vernaculars, viz, Tamil,
Telugu, Canarese and Malayalam. Under
para 94 of the obsolete Madras P.W.
Code officers of the department were
allowed the reward of Rs.180 for -
passing in these languages either by
the lower or by the departmental -
standard, and I am to suggest that
para 38 Chapter II of the India Code
may be amended so as to embrace this
provision. Clause II of para 94 Madras
Code allowed a further reward of Rs.
180 to officers who qualified in a
second language, and to provide for
this, the second foot note to para 43
Chapter II of the India Code might
be amended so as to include officers
of the Madras list. The other provi-
sions of para 38 Chapter II India
Code sufficiently embrace the remain-
ing rules in para 94 Madras Code.

2. I am to take this opportunity to suggest further that the departmental standard in the above mentioned Madras vernaculars may be inserted in para 29, Chapter II of the India Code, which mentions no other language but Hindustani, or it would perhaps be sufficient to insert in para 30 after the word "Hindustani" in line 3, the words "and in Madras the language of the district in which the officer may be employed".

I have &c.

Under the Code rule quoted (chap-

applicable only to officers of the Govt
of India lists employed in Madras and
Bombay.

2. Mr. Parker is an officer of the
Madras list and any reward for his
having passed in telugu can be admit-
ted only after ascertaining from the
Secretary to the Board of Examiners that
it is admissible under the local rules
which have doubtless received the ap-

would suggest that a copy of the rules
may be obtained and furnished to me
for future guidance.
