Quarters for Hospital Assistants.

Communicating, with remarks, to all Local Boards and Municipal Councils and to the Municipal Commissioners, Madras, Government Order, Public Department, passing orders as to the scale of accommodation to be provided for hospital assistants in Civil employ and the amount of compensation in lieu of it.

24TH JANUARY 1895, No. 154 L., LOCAL AND MUNICIPAL.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper :—

G.O., dated 14th November 1894, No. 865, Public.

Read—again G.O., dated 7th August 1894, No. 578, Public.

Read—also the following papers :—

Office-note from the Examiner of Public Works Accounts, dated 18th September 1894, No. 3812-A.

From the Surgeon-General with the Government of Madras, dated 5th October 1894, Nos. 529 and 530.

Order—dated 14th November 1894, No. 865, Public.

The Government of India having sanctioned the grant of free-quarters or house-rent in lieu to hospital assistants in Civil employ, the Government proceeds to pass orders as to the scale of accommodation to be provided and the amount of compensation in lieu of it.

2. It is observed that Military hospital assistants are stationed principally at places where there are garrisons and accommodation is scarce and expensive. The compensation they receive is eight rupees a month elsewhere than at the Presidency town where they are allowed twelve rupees. In the case of Civil hospital assistants the Government considers that five and eight rupees, respectively, will be ample.

3. Military hospital assistants are given one room 16' $\times$ 12', one verandah room 16' $\times$ 6' (with a couple of "chulas") and a bath-room 8' $\times$ 6'. This scale will be adopted for civilians with the addition of a second room with an area of not less than 100 square feet.

4. The Public Works Department will be requested to prepare a standard design for Civil hospital assistants' quarters. They should invariably be provided for in estimates for new hospitals or dispensaries to be constructed from Provincial revenues.

5. Compensation in lieu of quarters at the rates now sanctioned may be passed to Civil hospital assistants with effect from the 1st April 1895. The grant will be conditional on the hired quarters being within two hundred yards of the institution to which the hospital assistant is attached and on their being approved by the officer under whom he is serving.

6. In those cases in which it is impossible for Civil hospital assistants attached to Government institutions to hire suitable quarters within the prescribed distance, the Surgeon-General will request the Public Works Department to provide public quarters with the least possible delay.

7. The necessary orders as regards hospital assistants in the employ of municipalities and local bodies will be issued in the Local and Municipal Department.

No. 1424.

MEMORANDUM.

The President, Madras Municipal Commission, will be requested to report whether any of the hospital assistants or apothecaries serving in the municipal hospitals and dispensaries in Madras are now living on the premises of those institutions and whether a monthly allowance at a maximum rate of Rs. 8 per mensem would enable all of those not accommodated to find, as indicated above, suitable quarters not beyond their means within 200 yards of the institutions to which they are attached.

(True Extract.)

FORT ST. GEORGE,
8th December 1894.

J. F. PRICE,
Chief Secretary.

To the President, Municipal Commission, Madras.

From Lieut.-Colonel G. M. J. MOORE, C.I.E., President, Municipal Commission, to the Chief Secretary to Government, dated Madras, 10th January 1895, G. No. 550.

With reference to your memorandum, No. 1424, dated 8th December 1894, I have the honour to state that the resident apothecary of the Native Infirmary, who is also in charge of the North Black Town dispensary, is provided with quarters on the premises.

2. I do not think suitable quarters at the rate of Rs. 8 per mensem can be found within 200 yards of the institution to accommodate the hospital assistants attached to the North Black Town dispensary.

3. There are no quarters available in the Royapettah hospital for any of the subordinates, but suitable quarters could be procured within 200 yards of it at a rate of about Rs. 8.

ORDER—dated 24th January 1895, No. 154 L., Local and Municipal.

Communicated to all Local Boards and Municipal Councils and to the Municipal Commissioners of Madras with the request that the orders of the Government of India communicated with G.O., dated 4th September 1894, No. 1684 L., may be given effect to from 1st April 1895.

2. In cases in which free quarters are provided, the accommodation should consist of two rooms, with a bath-room, a verandah (part of which might be used for cooking), and a small latrine; provision should be made upon this scale in the case of all hospitals and dispensaries which may hereafter be constructed as well as in cases in which it is necessary to construct quarters where none are available within a convenient distance of the existing institutions.

3. Compensation in lieu of quarters should be granted at rates to be fixed by the local bodies concerned according to the circumstances of each locality, but they should not, except for very special reasons, exceed Rs. 8 per mensem in the town of Madras and Rs. 5 elsewhere. The grant will be conditional on the rented quarters being within 200 yards of the institution to which the hospital assistant is attached, and on their meeting with the approval of the Surgeon of the district or the District Medical Officer as the case may be.

4. Presidents of District Boards and Chairmen of Municipal Councils and the President, Municipal Commission, Madras, are requested to submit with their next and succeeding budgets a list showing the places where quarters have been provided for hospital assistants and where they have not.

5. Attention is called to the fact that these orders only apply to medical subordinates who are Government servants.
