Judicial Department.

CHIEF SECRETARIAT. MADRAS.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following papers—

Endorsement of the Revenue Department, dated 1st October 1895, No. 1566 R, on proceedings of the Board of Revenue (Land Revenue), dated 17th September 1895, No.4670 , submitting to Government letter from the Collector of Malabar recommending that portion of the Taluk Cutcherry at Manjeri now occupied by the Sub-Registrar may be transferred to the Revenue Department, a separate office being constructed for the Sub-Registrar. ------

From the Inspector General of Registration, Madras dated 24th October 1895, TNo. 5135.

Adverting to endorsement No. 2448, Judicial, dated 12th instant, referring for remarks a proposal by the Collector of Malabar to give up to the Revenue Department for occupation by the Taluk office the rooms attached to the Taluk Cutcherry at Manjeri in which the Sub-Registrar's office at that station is held, a separate office building on the standard plan being constructed for the Sub-Registrar's office, I have the honour to state that I have no objection to the proposal. The present rooms were built in 1876 under G.O. No. 1391 W, dated 30th May 1876 and do not contain sufficient accommodation for the Sub-Registrar's establishment and records . The rooms now, therefore, be given up to the Revenue Department and

building on the revised standard plan for the larger offices sanctioned in G.O. No. 1320 W, dated 13th May 1891 constructed for the Sub-Registrar's office. If the Government approves of the proposal I beg that orders may be issued in the Public Works Department for the preparation of plans and estimates for a new building. Until a new building is constructed the Sub-Registrar's office will have to be held in the present rooms.

O R D E R, dated 23rd November 1895, No. 2425.

The proposals to transfer to the Revenue Department the portion of the Taluk Cutcherry at Manjeri in the Malabar District now occupied by the Sub-Registrar, and to construct for the latter's office a separate building on the revised standard design for the larger Sub-Registrar's offices are approved.

2. The necessary orders for the preparation of plans and estimates will be issued in the Public Works Department.
