Malabar collector's office,

Calicut 8th November 95.

From,

J. Hewson Esq.

Ag: collector of
malabar.

To,

The Secretary to the Commissioners
of Land Revenue,
Madras.

Sir,

The Head Quarter Deputy Collector informs me that there is at present an open way leading from the Watch Tower of the Calicut Sub jail buildings to some of the vacant buildings situated to the North of the Sub jail and that the wall between the Sub jail buildings and the vacant buildings is not sufficiently high to prevent the prisoners from climbing over them and escaping. The Deputy Collector therefore suggests that the open way be closed, the wall

raised, and the vacant buildings handed over to the Public Works Department.

2. The Executive Engineer, West Coast Division, who was addressed on the subject, is of opinion that the wall should be raised before the vacant buildings are handed over, but as the cost will amount to about Rs 700, requests that the sanction of government may be obtained. I have the honor therefore to request that government may be moved to accord the necessary sanction and to instruct the Public Works Department to carry out the work.

3. A plan of the sub jail showing the position of the wall (colored gamboze) proposed to be raised, is enclosed.

I have the honor to be
