

NELLORE COLLECTOR'S OFFICE,
DATED 16th November 1895

No. 2127
Eng.

From K. b. Manavedan Rajah Esquire
Ag Collector of Nellore.

To the Secretary to the Board of Revenue
Land Revenue
Madras.

Sir,

There being no sufficient accommodation for the growing records of this office, I requested the Executive Engineer, Nellore to prepare a plan and estimate for the construction of a terraced verandah of 55½ ft long and 9 ft broad to the Vernacular Record room. In reply, the Executive Engineer states that the work costs over Rs 500 and that, in accordance with G.O. No. 986, W dated 26th April 1895, the previous sanction of the Government is necessary for the drawing up of the estimate. I have therefore the honor to request that the Board may be pleased to obtain the necessary sanction of the Government in the matter.
