The actual realizations on account of income tax from members of the P.W.D. Madras including Railway Surveys and Works Establishment to end of August 1895 (i.e.) for the first six months of the year amount to Rs. 21,600.

2. Basing the calculations on the above figure for the remaining portion of the year and taking into consideration that the recoveries under this head will decrease to some extent in consequence of the closure of the Madura-Pamban and Tinnevely-Quilon Railway Surveys, the revised estimate for 1895-96 may be taken at the round sum of Rs. 42,000.

3. The budget estimate for 1896-97 should in my opinion be taken at Rs. 41,000. The amount actually recovered during 1894-95 is Rs. 39,455.
