No 624 S.E. North Arcot D^o office,
From 31st January 1895.

H.E. Clerk, Esq.
Executive Engineer.

To

The Suptg. Engineer,
IV Circle,

Sir,

I have the honor to re-
-mind you that in this office No
135 S.E. dated 24th May 1894 I stated
that I should probably recom-
-mend that the Chaudragiri Talug
should be transferred from the
Ramipet to the Vellore Sub Division.
2. I consider that the time
has now come to make the change.
The Vellore Sub Divisional officer
has a comparatively light charge
while the work of the Ramipet Sub
Division is exceedingly heavy. The pre-
-sent Ramipet Sub Divisional
officer

officer certainly does not seem
able to cope with it satisfac-
torily, and I propose to lighten
his work by relieving him of the
whole of the Cheeragiri Taluk.

3. The Villapuram Guntakal
Railway which passes through
Vellore runs through the whole
Taluk, it is therefore really more
accessible from Vellore than
Ranipet.

I have &c. &c.

READ—the following paper :—

From H. E. CLERK, Esq., Executive Engineer, North Arcot Division, to the
Superintending Engineer, IV Circle, dated 31st January 1895, No. 624 S.E.

I have the honour to remind you that in this office No. 135 S.E., dated 24th
May 1894, I stated that I should probably recommend that the Chendragiri taluk
should be transferred from the Ranipettai to the Vellore sub-division.

2. I consider that the time has now come to make the change. The Vellore Sub-
divisional officer has a comparatively light charge while the work of the Ranipettai sub-
Division is very heavy. The present Ranipettai Sub-Divisional officer certainly does
not seem able to cope with it satisfactorily, and I propose to lighten his work by
relieving him of the whole of the Chendragiri taluk.

3. The Villupuram-Guntakal Railway which passes through Vellore runs through
the whole taluk; it is therefore really more accessible from Vellore than Ranipettai.
