In continuation of Military Department letter No. 280-G., dated the 31st March 1894, on the subject of provision of quarters for Sergeant-Instructors of volunteer corps, I am directed to state that the Government of India, after carefully considering the question, have decided that para. 167, Army Regulations, India, Volume IX., regarding the grant of compensation in lieu of quarters to Sergeant-Instructors of corps specially situated, should be recast as follows :—

Read—the following paper :—

G.O., dated 19th April 1894, No. 2421, Military.

Read—the following letter from the Secretary to the Government of India, Military Department, to the Director-General of Military Works, dated Fort William, 31st March 1894, No. 280 G. :—

I am directed to acknowledge the receipt of your letter No. 3950 B., dated the 7th November 1892, in which you point out that the rules regarding the provision of quarters for sergeant-instructors of volunteer corps contained in paragraphs 165-167, Army Regulations, India, volume IX, differ from those in Public Works Department Code, volume II, appendix VII. Under the rule in appendix VII, Public Works Department Code, first-class sergeant-instructors of volunteers are entitled to free quarters to be hired or constructed for them by the Public Works Department, whereas under the rules contained in paragraphs 165-67, Army Regulations, India, volume IX, they are to be provided with quarters, class A, if available, or paid compensation in lieu. The practice hitherto has been to pay compensation whenever public quarters were not available. A sergeant-instructor at Rawal Pindi having claimed to have quarters hired for him under Public Works Department Code, volume II, appendix VII, instead of being paid compensation, you ask for a definite ruling on the point.

2. In reply, I am to say that the sergeant-instructor at Rawal Pindi has no absolute claim to be provided with quarters instead of receiving compensation in lieu, and this will be seen by reading the heading of appendix VII of the Public Works Department Code in conjunction with the body of the appendix, and both with Army Regulations, India, volume IX.

3. The question of assimilating the rules in the Public Works Department Code to those in Army Regulations, India, volume IX, is under the consideration of the Government of India.

Copy forwarded to the Secretary to the Government of Madras, Military Department.
