Letter from the Executive Engineer, Tinnevelly Div, to the Superintg Engineer VI Circle.

With reference to your endorsement No 1689 T.N dated 5th February 1895 on G.O. No. 236 W dated 31st January 1895, I have the honor to inform you that out of Rs 27500 surrendered, the sum of Rs 10000 is for actual work on which percentages for Establishment and Tools & Plant are to be calculated.

2. It is, however, a matter of doubt whether the existing grant of Rs 10000 for the Reclamation of the foreshore at Tuticorin can be fully utilised during the year, now that the Contractor of the work is dead. Further Surrender will, if necessary, be made early next month.
