I have the honor to report that, as proposed by the Government of India, the supply of one copy of the Indian Quarterly Army List in lieu of the Madras Quarterly Army List is sufficient for the Survey Department.

Proceedings of the Board of Revenue (Land Revenue); dated 20th October 1894, No. 5830, Mis.

Read G.O., dated 3rd October 1894, No. 1926 R., Revenue.

Resolution.—The Board approves the proposal to substitute four copies of the Indian Quarterly Army List for the same number of copies of the Madras List now supplied. With reference to para. 3 (a) of the letter from the Government of India, communicated by Government, the Board considers that it will be sufficient if Collectors are supplied with only the first quarter's list of each year.

2. The proposed distribution list shows that a copy of the Indian Army List is to be supplied to the Collector of Madras as such, while another copy is to be supplied to him in his capacity as Collector of Sea Customs. The latter copy appears unnecessary and may, the Board thinks, be discontinued.

With reference to Madras Military Department G.O., No. 5994, dated 26th September 1894, on the subject of the supply from 1st April 1895 of the Indian Quarterly Army List in lieu of the Madras Army List, a copy of which was forwarded under your endorsement No. 269, dated 26th September 1894, to the Superintendent of Telegraphs, Madras, I have the honor to state, with reference to para. 3 (b) of Government of India Military Department letter No. 2394 A, dated 1st September 1894, to your address, that the Superintendent in charge of the Madras Central Telegraph Office reports that he receives only one copy of the Indian Army List, which is sent to him direct from this office, and which suffices for his present requirements. He also points out that the issue to his office of the Madras Army List was discontinued from the 1st January 1891. The Superintendent in charge of the Madras Division of Telegraphs reports that up to July 1890 two copies of the Madras Army List used to be received in his office from the Lawrence Asylum Press, but that, subsequent to that date, the arrangements were altered, and no copies have since been received in his office.

2. With regard to future requirements of the Indian Army List, I have the honor to request that only two copies may be supplied to the Superintendent in charge Madras Division of Telegraphs, Madras. These two copies are for use at the Bangalore and Ootacamund Telegraph offices.
