From Lieut.-Col. C. C. RAWSON, R.E., Superintending Engineer, III Circle, to the Chief Engineer for Irrigation, dated Bellary, 8th February 1895, No. 2716.

In continuation of this office endorsement No. 2631, dated 1st February 1895, I have the honour to surrender, at the instance of the Executive Engineer, Bellary division, the sum of Rs. 2,500 from the grant for Kampli and Bellagodal channels where no good or satisfactory work can be done until the total closure of the channels, which can only be effected late in March as the sugar-cane in many places still requires water.
