The Establishment shown in column
"Present Scale" of the Proposition
statement represents that allowed by
the Superintending Engineer 2nd Circle
for employment under Lieutt. Lord, Asst.
Engineer under the orders in G.O. No.
3707 W. dated 23rd. November 1888.

of Upper Subordinates in charge
of ordinary works and trust that
you will agree with me that the
honourary Assistant Engineer en-
trusted with the charge of a work
of considerable magnitude and
importance which should properly
speaking be treated as a Sub-
Division for purposes of accounts,
should be allowed special tem-
porary establishment as proposed
by me.

5. It is to be noted that the work
with the exception of supply of
material will have to be carried
out departmentally which involves
much clerical labour.

Letter from Captain W. M. Ellis, R.E.,
Executive Engineer, Kistna North
Dist. to the Supg. Engineer, 2nd Circle,
dy Bezwa da 20th January 1895. No 494.

I have the honour to bring to your
notice that a temporary Lascars on
Rs 6 and temporary Clerk on Rs 15
have been sanctioned for Lieut
Lord, Assistant Engineer in your
No. 1596 K.S. 1686 K.S. dy 13.10.1894
& 23.10.94, respectively, agreeably
to para 185 of the Madras Code.
2. When the work on New Head
Sluice, Sitanagaraw, is commenced
about the 15th of next month, the
office and accounts work will be
heavy and a competent and ex-
perienced clerk having knowledge
of initial accounts will be required
to keep pace with it.

3. I think, therefore, that a tem-
porary clerk on Rs 30 and that 2
more Lascars on Rs 6 each should
be allowed to Lieut Lord and
accordingly submit the necessary
proposition statement of temporary
establishment for your approval
and submission to Government for
sanction.

4. I may mention that para 185
of the Madras Code seems
applicable to the establishment
