Resolution of the Government of India, Public Works Department (General),
dated Calcutta, 25th February 1895, No. 574 G.

[*Prohibition of the deputation of members of the permanent establishment in Public Works offices to temporary posts on higher pay in the same office.*]

Resolution.—It has been brought to notice that, in some offices of the Public Works Department, it is the practice to promote permanent clerks to higher salaries against sanctions given for temporary additional establishment, the permanent men so promoted being treated as detached for temporary duty under article 410 of the Civil Service Regulations. The Governor-General in Council is therefore pleased to decide that the order contained in the Civil Account Code, chapter 79, article 1678, which prohibits the deputation of members of the permanent establishment in Civil Account offices to temporary extra work on higher pay than that which they draw on the regular establishment, shall henceforth be applied to office establishment only in all Public Works offices, limited, however, to appointments within, and not outside, the office.
